

Empowering people to
save starving children

Volunteer Sign-In Form

Meals from the Heartland is a (c) (3) organization whose mission is to empower people to stave starving children. Today you will engage in the packaging of meals that serve domestically and internationally persons who know hunger on a daily basis.

Volunteers, such as you, give freely of their time, resources and talent to personally package meals for this food deprived population.

You have requested to freely participate and to serve in this food packaging event and to abide by the safety and quality rules demonstrated in the orientation presentation. To increase awareness of Meals from the Heartland's mission, photographs my be taken and used for promotional purposes on our website, social media pages and promotional materials.

In consideration of your participating in this event, you affirm you are fully capable of performing and understanding the duties to be assigned you and will receive the training provided in the group orientation session. You agree personally for yourself and any minor accompanying you in your volunteer capacities to indemnify and hold harmless Meals from the Heartland from any claim, (including loss of life and attorney fees) or any other loss or damage which you might sustain during the course of your volunteer duties. You declare you are legally competent to make this affirmation.
