

SAE SERVICE LEARNING PROJECT

Leadership, finance, problem solving, communication, and teamwork are just a few of the skills utilized in planning a Meal Packaging Event.

HIGH IMPACT

Pack THOUSANDS of meals for those in need.

LOW RISK

Only 1 Meals from the Heartland staff member enters your facility.

SAFE

Groups of 5 work on a gloved & masked assembly line to help pack meals.

GLOBAL IMPACT

170 million meals sent to over 37 countries around the world since 2008.

LOCAL IMPACT

Your finished meals can stay right in your community if you choose.

Meals from the Heartland has been partnering with the FFA since 2012 to package over **4.4 million meals**.

We would love to have your Chapter join us in the fight against hunger!

Cost of events begin at \$2,500 and go up from there depending on how many meals you expect to package.
